GIVE-AWAY EVENT VOLUNTEER DESCRIPTIONS

GIVE-AWAY EVENT VOLUNTEER DESCRIPTIONS

Volunteer Requirements

We require that all of our volunteers on the Give-Away Event Days be females 20 years or older. Some of the girls that visit us are in foster care or shelters and privacy is a requirement, we cannot even know their last name. Others that visit us, do not want their peers to know their financial situation or would feel very uncomfortable selecting a dress with another teenager. We find it best to have adult women, as not to embarrass anyone who visits us.

Questions & Welcome Station

We have found it is helpful to have a desk set-up to only answer questions and to welcome your princesses. If there is not a separate station, the check-in desk is pretty crowded.

Check-in

This station will handle the registration and check-in of all of your princesses. It will also be the station where Fairy Godmothers are paired with their princess.

Check-out

At our Cinderella's Closet we like to wrap all of their accessories in pink tissue paper and steam their dress before they leave. We do not steam the dresses prior to the give-away event for two reasons: (1) The dress may not be chosen this year, then it is just going to sit in storage all year and (2) Steaming the dress on the spot is a special act of service to our princesses. It is another way to show that we care.

Personal Shopper

This job entails a variety of responsibilities that will be rotated during your shift. These jobs include being a personal shopper to a Cinderella, sorting & hanging the dresses, and organizing the accessories.

Jewelry

You will be responsible for helping our Cinderella's choose the perfect earrings, necklaces, and bracelets.

Make-Up

You will be responsible for helping our Cinderella's match foundation and give recommendations on how to wear their make-up on their special day.

Alterations

This job does not require an expertise in alterations, most of the projects are basic hems, taking up straps, and minor repairs. You need to be able to bring your own sewing machine..
